Brenham ISD Board of Trustees approves changes to the school year calendar.

Today, during the July 28, special emergency board meeting, the Brenham ISD Board of Trustees approved several changes to the 2020-21 school year calendar.

The approved changes are:

- The first day of school moves from Wednesday, Aug. 19 to Tuesday, August 25.
- Previously planned Teacher Planning day October 12, is added as an instructional day.

Brenham ISD will take the necessary precautions to provide our students and teachers with the safest on-campus learning environment possible. "Moving the start of school back 4 days will allow teachers and staff more time in preparing and training for when students return to the classroom." Brenham Interim Superintendent , Huey Kinchen said.

Revisions made to the school year calendar provide Brenham ISD the flexibility needed to continue to extensively plan and prepare for the reopening of schools.
