To help support:

Event Date: October 22, 2016

Location: Hohlt Park Pavilion

Time: 1pm-5pm

What is Medical Olympics?

Medical Olympics is a fundraising event for the BHS HOSA (Health Occupation Students of America) students to encourage the medical community of Brenham to come together for camaraderie and networking. It is a series of approximately 8 events that are medically named, but not necessarily medically related.

Right at Home believes in reaching out to support the community! This year we are helping the future of Washington County medical community. Please join us for a great time and get to know the Brenham and surrounding counties' medical community.

Here are some photos from the 2015 event!

Students gathering Thanksgiving food for needy families in the community.

BHS HOSA students compete in Houston for Area 2.

HOSA Officer Installation and member reception.

“HOSA has helped me gain real skills I can go out and use to support myself or to work while I’m in school.” –Kirsten Diggs, HOSA graduate 2016

What is HOSA, Future Health Professionals?

HOSA is a co-curricular club for students in the Health Science program at Brenham High School that focuses on building leadership skills, improving communication, exposing students to opportunities in the health care field, and serving our community.

“ HOSA students are the future medical professionals of our community. We want them to know that their community supports them and wants them to better themselves. We also want them to be active participants in the community. The medical field is growing in Washington County and we want to be prepared and equipped for the future!”

HOSA is very active in the Brenham community through supporting nursing home activities to helping develop the Medical Olympics event this year. The HOSA students helped to design, support and run most of the events at Medical Olympics.

Why does HOSA need your support?

HOSA is raising money to fund the many activities on our calendar for this year. Some of the costs covered by BHS HOSA include:

- HOSA area written test fees
- HOSA area on site competition fees
- HOSA area contest room and travel
- HOSA contributes as much as possible to club T-Shirts
- HOSA community service projects
- Breast Cancer Awareness Month activities
- National HOSA week recognition
- Scholarships for HOSA seniors
- Boys and Girls Club Trunk or Treat

Our goal is to raise enough money to cover all of the above activities as well as increase the number of scholarships awarded to seniors, who meet the requirements, this spring.

If you are interested in supporting our students the students would love to come talk to your office about how you can be a part of the Medical Olympics this year. To make an appointment please contact:

Jeanne Zander (HOSA Advisor) at jzander@brenhamisd.net or (979) 277-3800 at extension 6119.
 I can also be reached at (979) 451-2012
 Kevin Hanath (Event Coordinator) at (979) 221-6685
